

The Buffalo Niagara Business Ethics Association is calling for nominations for its 2017 Business Ethics Award honoring companies that consistently demonstrate a firm commitment to ethical practices in their everyday operations, philosophies and in response to crises and challenges. BNBEA's mission is to foster and promote ethical business practices within the community.

Nomination Procedures:

Nominations for the Business Ethics Award must be submitted on this form by the deadline listed below. A company may nominate itself or may be nominated by a customer, client, employee, consultant, vendor or private citizen who is impressed with the company's ethics program or demonstration of the same. Nominated companies will be notified with a copy of the completed nomination form along with an invitation to an Orientation Meeting.

Application Process:

This nomination begins a process whereby, with guidance and clear guidelines, the nominated company will be asked to prepare an application for submission. By means of an evaluation, three finalists from each of three business size groups will be selected. A Judging Panel of business and community leaders will select one Crystal Award recipient from each of the groups.
